City of Hamilton offering tax bill support to impacted property owners

HAMILTON, ON – Due to the ongoing postal delivery issues, some property owners have not yet received their tax bill or may have received it very close to the February 28, 2025 due date. The City recognizes the inconvenience this may cause and is taking steps to support property owners.

Although the City of Hamilton met its legislated requirement to mail tax bills to all property owners at least 21 days before the due date, Canada Post's delays are affecting delivery times. While this issue is beyond the City's control, we are providing additional time for payment to assist taxpayers.

Extended Payment Deadline

To ensure property owners have sufficient time to make their payments, the City is extending the payment deadline for the February 28, 2025, installment to **March 31, 2025**, without incurring the standard 1.25% late penalty charge.

The second installment date of the 2025 Interim Property Tax bill remains due on April 30, 2025. Payments made after this date will be subject to standard penalty charges.
